I'm halfway through the book, which is an amazingly easy read, and actually, dare

I say, can't wait to get cleaning. I put a bit of what I gleaned from last nights' reading into practice today at work, and did an unassigned portion of our departmental cleaning. It was quite a large undertaking, but I started at the top of my project, and worked my way down. In fact, it went so well, I cleaned the same area in another room. Hah! Who'd of thought?! Love the book, the author, and all of the techniques therein. Glad I took the leap and bought the book. Worth every dime. And then some. 0 of 0 people found the following review helpful. good ideas presented By ScrabbleNut Still reading, still learning....
