Code Check Building: An Illustrated Guide to the Building Codes, 4th Edition, emphasizes the key safety principles underlying building codes throughout the United States. Using clear language to ensure compliance with codes at each

stage of construction, this edition reflects the most up-to-date changes in the 2015 International Residential Code. Tables and illustrations help to clarify the complex rules and numerous changes in the latest edition of the codes. Specific code changes are highlighted throughout the text and summarized at the end of the book. The Code Check series is one of Taunton's most successful book lines, selling over 1,100,000 copies. Spiral bound, with durable laminated pages, the books in this series are designed to be used on-site for quick reference, ensuring that all jobs meet the highest safety standards while drastically reducing code violation call-backs. The Code Check series is endorsed by the International Code Council (ICC).
