From Storey Publishing, LLC : Cold-Climate Gardening: How to Extend Your Growing Season by at Least 30 Days by Lewis Hill (Dec 5 1986) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cold-Climate Gardening: How to Extend Your Growing Season by at Least 30 Days by Lewis Hill (Dec 5 1986):

0 of 0 people found the following review helpful. It is an excellent book for anyone living north of Zone 4By CodybanIt is an excellent book for anyone living north of Zone 4. Since I am in Zone 6, not so much for me. It was well written. I would have liked a more color pictures and white space. It's a lot of text, but does cover the subject very well.0 of 0 people found the following review helpful. I will tryBy JackpineI live in Minn. I hope this will help me to getting the food that was intended for us instead of the chemistry that the food rackets have raised us on.1 of 1 people found the following review helpful. Three StarsBy CDI feel this is a little pessimistic,and perhaps a bit outdated, but still quite informative and worth a read. Very pleased with the condition of the book--like new!
