Matthew Schoenherr : Colonials: Design Ideas for Renovating, Remodeling, and Build (Updating Classic America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Colonials: Design Ideas for Renovating, Remodeling, and Build (Updating Classic America):

This lavishly illustrated guide to renovating, remodeling, and building a new Colonial home features over 20 case studies of updated homes and Colonials built from scratch, filled with 223 original full-color photographs, 38 color illustrations, and before-and-after plans.
