Gardening is now the favorite leisure pastime in America. Homeowners are realizing the health benefits derived from gardening and the increase in their home's property value. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. Colorado Gardener's Guide is written by the highly popular gardening expert John Cretti. Contains easy to use advice on the top landscape plant choices (more than 160 entries) for Colorado. Recommends specific varieties and provides advice on how to plant, how to grow and how to care for Colorado's best plants.

About the Author John Cretti has made it his goal to provide the best gardening information to residents of Colorado and the Rockies using many forms of media. He not only hosts the popular "The Winter Gardener" on HGTV, but is also the Gardening Expert for Channel 7 NEWS in Denver. Along with his wife, Jeri, John hosts "John Jeri's Garden Talk" on KHOW-AM 630, which is broadcast across the state. He has served as editor for Flower and Garden Magazine and Horticulture Magazine, and authored The Colorado Gardener's Guide.
